## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

### *To the Citizens of Nottingham :*

Both two-room schools are again being maintained this year. The enrollment is the same total as a year ago, but there is the prospect of an increase next year.

<i>School</i>	<i>Grades</i>	<i>Teacher</i>	<i>Pupils</i>
Center	1—4	Miss Josephine Brady	9
Center	5—8	Mrs. Marion F. Richner	13
Gebig	1—4	Mrs. Lillian F. Spencer	6
Gebig	5—8	Mrs. Ruth Richardson	11
Total			39

Pupils attending High School from Nottingham include five at Coe-Brown Northwood Academy, three at Dover, eight at Newmarket, one at Raymond, and one at Robinson Seminary.

The Report of the School Nurse, Miss Margaret Macdonald, R. N., shows the completion of routine health examination for all pupils, with apparent defects reported to parents, who in several cases have sought medical attention and treatment for their children. Thirteen pupils received treatment from Dr. C. H. Manning, D. D. S. at the Dental Clinic arranged by the School Nurse and sponsored by the Parent-Teacher Association. The special attention of the Nurse has also been required in cases of suspected contagious disease, epidemics, and needed improvement in health habits, diet, and hygiene.

Special musical instruction has been continued under the direction of Mrs. Esther B. Coombs. The Hot Lunch program has been carried on with the usual good results. One whole day was devoted to the issuance of War Ration Book No. 4. The District meeting authorized the installation of a telephone at Gebig Schoolhouse, which will be done as soon as circumstances permit.

The two hundredth anniversary of the birth of Thomas Jefferson on April 13 reminds us that this great man, author of the Declaration of Independence, first Secretary of State, Vice-President and later President of the United States, was also an outstanding champion of religious freedom and education for the common people as the safeguards of democracy. He once said that if he had to choose between the education and the estate his father left him, he would choose education. It is such a sense of the value of an education on the part of our young people and a desire to profit by school work, as well as good equipment and good teachers, that makes good schools in a community.

Respectfully submitted,

CHESTER W. DOE,  
*Superintendent of Schools.*
